### How the entries are assessed

---

- Nominees will be judged against how well they represent the person/team spec outlined for their chosen Inspiration Award.
- The judging process will narrow down nominees to determine appropriate winners in each category.
- All Nominations will undergo an initial screening process, conducted by the RoSPA Awards administration team, to ensure the team or individual represents the Inspiration Award type nominated for.
- All eligible nominations will next be reviewed by an internal team of RoSPA assessors, who will fully consider the merits of nominations received for each Inspiration Award type.
- RoSPA nomination assessors reserve the right to cross check the information and evidence presented by contacting either the nominator or nominee for additional details.
- Following this process, a shortlisting will be made of potential winners of each Inspiration Award, with overall winners selected by RoSPA's Awards judges.
